that only acting and not substitu-

The f.o. of reversing the department says that the place of Agrl Chemist will not be filled up for the present. But I presume that Mr. Narasimhaiengar's permanent place is that of Senior Asstt Chemist, to which Mr. Bhima Rao is to be apptd as acting. I think this may be sanctioned. Submitted to His Highness.

1/ In the recent reorganization of the Agricultural Department, Messrs. B. Narasimha Iyengar and K. Bhima Rao have been appointed as Senior and Junior Assistant Chemis on a pay of Rs.150-20-350 and Rs. 70-10-150 respectively. The Director of Agriculture now recommends that Mr. K. Bhima Rao may be appointed to act as Senior Assistant Chemist during the absence of Mr. Narasimha Iyengar who has been sent to Germany for study, and that Mr. Shankar Rao Badami, M.A., who has undergone a special training in the Indian Institute of Science for two years may be appointed as Junior Assistant Chemist sub <u>pro tem</u> on Rs. 100 in the grade Rs. 70-10-150.

2. The Financial Secretary is of opinion that in vacancies caused by "study deputation" a regular chain o acting arrangements should not be made; only what is nec sary for carrying on work should be sanctioned at the bottom. "On this principle" he states "Mr. Bhima Rao's emoluments need not be increased beyond what he is gettin now. Mr. Shankara Rao may be taken in the grade 70-10-1 pay being regulated according to rules. His tenure will only be 'acting' ".

3. The First Member of Council is in favour of sanctioning the recommendations of the Director of Agriculture with a slight modification, viz., that Mr. Shanka ra Rao may be <u>acting</u> instead of sub <u>pro tem</u>.

4. I agree with the First Member and solicit sanction to the following proposals:-

(i)

(i) the appointment of Mr. K. Bhima Rao to act as Senior Assistant Chemist during the absence of Mr. B. Narasimha Iyengar.

(ii) the appointment of Mr. Shankara Rao Badami, M.A., as Junior Assistant Chemist, acting, on Rs.100/- in the grade Rs.70-10-150.

In the submission note to Rao Bahadur Mr Shankar Rao Badami has been recommended to act as junior Asst Chemist on Rs 100/- in the scale of 70-10-100 and the same has been approved.

The figure '100' in the '70-10-100' requires to be corrected into '150'.
